PERSPECTIVES ON TERRORISM

BIBLIOGRAPHY

Bibliography: Hezbollah

Judith Tinnes*

Volume XIX, Issue 3
September 2025

Abstract
This bibliography contains journal articles, book chapters, books, edited volumes, theses, grey literature, bibliographies and other resources on the Lebanese Shia Islamist political party and militant group Hezbollah. It focuses on recent publications (up to August 2025) and should not be considered as exhaustive. The literature has been retrieved by manually browsing more than 200 core and periphery sources in the field of Terrorism Studies. Additionally, full-text as well as reference retrieval systems have been employed to broaden the search.

Keywords: bibliography, resources, literature, Hezbollah, Lebanon, Islamism, Israeli–Palestinian conflict, Iran

NB: All websites were last visited on 10.08.2025. For an inventory of previous bibliographies, see: https://archive.org/details/terrorism-research-bibliographies-2

Judith Tinnes has a background in Information Science. Dr Tinnes works for the Leibniz Institute for Psychology (ZPID) in an open-access publishing programme for scholarly journals. Additionally, she serves as Information Resources Editor to 'Perspectives on Terrorism'. In her editorial role, she regularly compiles bibliographies and other resources for Terrorism Research and runs the execution monitoring project 'Counting Lives Lost' (CLL).

About

Perspectives on Terrorism

Established in 2007, *Perspectives on Terrorism* (PT) is a quarterly, peer-reviewed, and open-access academic journal. PT is a publication of the International Centre for Counter-Terrorism (ICCT), in partnership with the Institute of Security and Global Affairs (ISGA) at Leiden University, and the Handa Centre for the Study of Terrorism and Political Violence (CSTPV) at the University of St Andrews.

Copyright and Licensing

Perspectives on Terrorism publications are published in open access format and distributed under the terms of the Creative Commons Attribution-NonCommercial-NoDerivatives License, which permits non-commercial re-use, distribution, and reproduction in any medium, provided the original work is properly cited, the source referenced, and is not altered, transformed, or built upon in any way. Alteration or commercial use requires explict prior authorisation from the International Centre for Counter-Terrorism and all author(s).
